Dear Parents/Carers

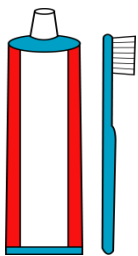

SUPPORTING OTHERS THE SOTOKOI SCHOOL, THE GAMBIA

Last year, thanks to your generosity, hundreds of wallets filled with stationery were sent to Sotokoi School in The Gambia. These are now much cherished by the children.

Mrs Grundy recently revisited the school and identified another need which we feel we can help with. Although days are hot in The Gambia, early mornings and evenings are cold. The lack of a warm item of clothing deters children from going to school. Mrs Grundy is fundraising to provide a school sweatshirt or fleece for the children.

Could we please help Mrs Grundy with her fundraising efforts? All donations, however large or small, will be very gratefully received. Please forward donations to the school office in a sealed envelope marked **UNIFORM – THE GAMBIA**.

In addition, when asked to choose a special present from a variety of items, the majority of children choose a **toothbrush and tube of toothpaste**.

To launch our appeal, we will place a box for toothbrushes and toothpaste in the school entrance.

Thank you for your support.

Yours sincerely

Mrs C Lowe
Headteacher
